

K-Love has been a big part of our family and of our office. It has become the source of strength and upliftment to us. It is the only radio station that our family listens to and is the only station that we listen to at work. It is a friend and a companion that never lets you down nor leave or forsake you. The power verses are a very powerful source of encouragement, comfort, joy, and peace for myself and for my children as well as to a majority of our associates in the office. In light of the reasons mentioned, I believe very strongly that the service K-Love is providing is in the best interest of our community. I hope that you will not deprive myself and my children with this very important service. Thank you and God bless!
